### **Websites:**

#### **Sesame Street for Military Families**

Sesame Street for Military Families is a free, bilingual (English and Spanish) website where families can find information and multimedia resources on the topics of military deployments, multiple deployments, homecomings, injuries, grief, and self-expression.

[www.sesamestreetformilitaryfamilies.org](http://www.sesamestreetformilitaryfamilies.org)

#### **Sesame Street in Communities**

Parents and caregivers like you are the foundations for children's healthy development. You keep them healthy, provide learning opportunities, and help them face challenges big and small. Sesame Street in Communities is here to support you in that huge and all-important effort. Here you'll find tons of multi-media tools in both English and Spanish designed for children from birth to six, a period when brains are developing rapidly and your nurturing interaction makes a lasting difference. Our videos, activities, printables, and digital interactives feature our friendly, furry Muppets and help you playfully, meaningfully engage with kids during everyday moments.

#### **Caring for Each Other/Sesame Street**

In response to the unprecedented uncertainty facing young children and families, Sesame Workshop's Caring for Each Other initiative marks the beginning of a commitment to support families throughout the COVID-19 health crisis with a broad variety of free resources
